Dear N.E.W. Members and Friends,

The word of this past month has most definitely been RESCHEDULE - I don't know about you but I'm ready for the warm weather from last week to come back and stay!

Thank you for your understanding and cooperation with the rescheduling of both the January Membership Luncheon and the Say What? Business Summit. The content for the January meeting, which consisted of 3

excellent speakers from amongst our members, will be duplicated and the Say What? Business Summit has been confirmed for Wednesday, March 21<sup>st</sup> – same time, same place.

#### ***Reschedule, Recommit, Reserve, Resolve and Refresh.***

Shall we make these the words for February and March? If you were unable to commit to the Business Summit because of a schedule conflict, now is the time to **reserve** your spot. Remember, the proceeds are for our beloved Scholarship Fund. **Recommit** to our organization and to the young ladies that will be the recipients of our July Scholarships. **Resolve** to make a difference and consider joining the Board. There is a form for you to complete in this publication – I also welcome your phone calls with any questions. Involvement leads to knowledge and continued professional and personal growth!

Finally, let's take the time to **refresh** our membership. N.E.W. is a one of a kind group – be sure to attend our functions, invite your friends, your business associates and let's make this the best year ever!

Stay warm and if all else fails, call me and let's escape to the closest Caribbean **resort!**

Jefferson Lakeside Country Club has a snow removal team in place, unfortunately they need 5-6 hours to clear their lots. In light of this timing our President will determine if meetings will be cancelled due to weather.
