December, a month of reflecting on the year, spending time with family and friends, and trying to keep your sanity during the craziness of the holiday season. My family all live in the New York area, and I plan to spend some time with them and let my kids loose with their cousins over the holidays. It is always nice for me to go home to visit my childhood stomping grounds and old friends, then return to Virginia my adopted home to regain my sanity when all the tinsel settles. I hope you and your family have a wonderful holiday season.

Have you been taking advantage of the membership incentives this year? There is still time to get your free lunch and a free N.E.W. annual membership-see the membership page for details! Don't forget about our Business Memberships, do you know a business that would like to join, tell them about us!

Take a look at our sponsorship form; please consider supporting a luncheon or Professional Development workshop, and sharing with businesses you know that will support N.E.W.

Lastly, next year N.E.W. is reaching a milestone and we can't wait to share it with you.

Until next month,

Janine
