1989-That is the year N.E.W. was incorporated, and that was the year the Berlin Wall came down, the first liver transplant was done, the 49er's won the Super Bowl, the Oakland Athletics won the World Series, Driving Miss Daisy won the Academy Award for best movie, and Bette Midler's Wind Beneath My Wings was the #1 album. What a fitting song to celebrate 30 years of N.E.W. The

women of N.E.W. are the wind beneath each other's wings and will be there for you when you need them. We are more than a networking organization, we are a philanthropic organization, and a group of women who truly care about each other. Please join me at the June 6th luncheon to celebrate 30 years of N.E.W.

Our membership incentives are still going on; there is time to get your free lunch and a free N.E.W. annual membership-see the membership page for details! Don't forget about our Business Memberships, do you know a business that would like to join, tell them about us!

Please consider supporting a luncheon and sharing with businesses you know that will support N.E.W. Our scholarship luncheon will be on July 11th and you are welcome to bring your daughter or special family member in your life at the member rate. Please make plans to attend; it will be a great event!

I thank you for spending time with me and N.E.W. and I hope to see you at our June 6th luncheon.

Until next month,
Janine
